

# EuroWeekAsia's Loans & Lev Fin Dinner 2009

EUROWEEK hosted its third annual Syndicated Loans and Leveraged Finance Dinner for the Asia Pacific market last Wednesday in Hong Kong, drawing a crowd of 120 bankers, borrowers, investors and private equity sponsors to Café Deco on the peak of Hong Kong island.

We would like to thank our sponsor, Clifford Chance, as well as all our

guests for making it such a memorable event.

The light-hearted evening included awards for the loan houses that performed best in EuroWeekAsia's annual poll, conducted at the end of last year.

A full list of the award winners will be available online at [euroweek.com/asia](http://euroweek.com/asia)
